Pre>intro g d g c

G d g c

I don't know what's behind that veil I ask questions to  
no avail

G d g c

I don't know why there's empty shelves empty books  
and silent bells

Chorus

G d g c g d g c

I don't know, I don't know, I don't know, I don't know

I don't know why it's not enough to feel moments of  
mighty love

I can't think why I'm not fulfilled I don't know why my  
heart is chilled

Chorus

I don't know why I'm all alone fingers stuck to a  
telephone

Photographs of you and me I don't know these people I  
see

Chorus

Balls bouncing down deserted streets shadows boxing  
on empty seats

I don't know why it's not enough to feel moments of  
mighty love

Chorus /pre>
