Pre>(the subject of this song, william wittmam informs us, is snooker.)

G dm em c

I find I fall into each night what passes for a dream

G dm em c

But all I see are pinks and blacks and I don't know what they mean

Cm gm bm e

My opponent's got the edge but his face just can't be seen

E c d g c g

And i.....'m locked into green

I been up since 8 oclock smoking endless cigarettes

And I'll be at the table as the bookies take their bets

A shot of drink to steady nerves and I'll wipe that table clean

And i.....'m locked into green

C g

Reds and blues, yellows, greens and browns

C d

If I keep my eye in I will put them down

Cm gm bm e

There's other ways of life out there but there's nothing they could mean

E c d g f e

Because i.....'m locked into green

E c d g c g

Oh i.....'m locked into green

G g c g g g c g

I'm locked into green, I'm locked into green

G g

I'm locked into green /pre>
