E b e a

Mr. tender is something I'm not I pulled too tight when
we tied the knot

E b e a

Surrender is something I can't, I can't let go and I rave
and I rant

C#m a c#m a c#m b

But I resolve to solve this problem and be the one you
need

E a e a e a e

And one day you'll see you will call me "mr tender"

Mr. tender it's almost a joke if it were funny and didn't
make you choke

A pretender yeah that's what I am, acting the part but
it's really a sham

But I am working, working hard to give the love you
need

And one day you'll see you call me "mr tender"

A b a b

I will smooth the edges from my roughness and lose
the venom in my toughness

C#m a c#m a c#m b

I resolve to solve this problem and be everything you
need

Mr tender yeah! that's what I'll be you won't believe that
it's coming from me

The agenda is nothing but love I'll make it come from
below and above

And I am working working so hard to be everything you
need

And one day you'll see you call me "mr tender"

(repeat)
