Pre>capo at 4 intro: g c g c g c g c

G c g c

You have always struck a chord in me

G c g c

One that resonates within like ancient chemistry

G c g c

You have always rung the bell my love

G c g c

Taken it upon yourself to lift my spirits high above

G c g c

When I work you know it's just my job

G c

Something that I do to pass the time

G c

Before the next phase of our love

D d g c

Before the next phase, before the next phase of our  
love

G / c / g / c / g / c

G c g c

You have always filled my empty cup

G c g c

Laid the food upon my plate for me to eat it up

G c g c

You have always flown a higher plane

G c g c

Taken it upon yourself to drive the engine of my train

D d g c

Into the next phase, to the next phase of our love

G / c / g / c / g / c / g / c

Hey hey

G c g c

When I work you know it's just for pay

G c  
Something that I do to pass the time

G c  
Before the next time that you say

D d g c  
You'll be right there anyway for the next phase of our  
love

G c  
Hey hey

G / c / g c g / c / g  
For the next phase hmhhh /pre>
