She never let me down. that's one thing I can say for sure

Bm7 f#m7 cmaj7 f#7

I had her wrapped around my finger. then I cut the cord

Bm7 f#m7 cmaj7 f#7

And when the night comes on and another day draws to an end

Bm7 f#m7 cmaj7 f#7

There's a world of difference between lovers and friends

She never let me down well that's one thing I tell you for sure

The autumn leaves come down like dead things and blow in the wind around my door

And when the day comes up and another night draws to an end

There's a world of difference between enemies and friends

Chorus

Cmaj7 bm7 / f#m7 / cmaj7 f#7

She never let me down ah ah

Cmaj7 bm7 / f#m7 / cmaj7 f#7

She never let me down ah ah

Instrumental verse

Bm7 f#m7 cmaj7 f#7

And when the night when the night comes on and another day draws to an end
