Pre>intro d bm d bm d bm

A f#m bm e a f#m bm e

Every story told me, is wasted on my ears

A f#m bm e a f#m bm e

Ah someone else's therapy, well someone else's fears

F#m e

Every body said ah come onto my side,

F#m e

Just to lead me up a blind alley way

F#m d a

Nothing worse than a fool's advice

E d

And it aint't hot enough for a soul on ice

Dchorus

F#m e d

Freezin freezin like a soul on ice

Freezin freezin like a soul on ice

F#m d e d e

Freezin freezin like a soul on ice, freezin!

Try to read the sharp words but they don't even cut

They're stupid and they're absurd, they're just another  
rut

Well baby I am gonna crash on a main road

Yeah and I am run aground on a sea

Nothing worse than a fool's advice

And it aint't hot enough for a soul on ice

Chorus ends on a then bridge

D

Nothing I can do, babe I'm trying to

A

Can't even get a hand from you

D

Like a stranglehold, way you least expect

E a e f#m e f#m d e

Stand right here baby, freezin too, freezin too, freezin  
too,

D bm d bm

Freezin freezin

Everybody's sweet words they fall on stony ground  
There's nothing that they can do, can do, can do  
To thaw this soul down  
Well, every body said ah come onto my side,  
Just to lead me up a blind alley way  
Nothing worse than a fool's advice  
And it aint't hot enough for a soul on ice

Chorus (2 times) /pre>
