D c g (4 times)

D c g

When I was a boy I never felt the weight I'm feeling

D c g

I had a crowd around me and that was that

D c g

I'd get on the bus and go to the ata every weekend

D c g

And feel the ultraviolet show the fluff up on my collar

D c g d c g

Yeah (horns) (bass)

They'd play otis redding sam and dave and wilson
pickett

Prince buster the skatelites and the bees would be
buzzing their horns

The boys would dance like robots the girls would walk a
fashionable slink

Em bm

Now here I am like some old man trying to recall the
way the way it was

Em bm

Then suddenly that boy is me and I'm right back there
once again

Chorus

D c g d c g

Soultime I'm in soultime

D c g d c g

Oh yeah (horns) (bass)

D c g d c g

(horns) (bass)

We never tried to change the world it didn't need
changing

We were the in crowd yeah and that was that

Graduating from a lambretta to a triumph herald car

Was the only future in sight oh and that was that

D c g d c g

(horns) (bass)

One night there was a rumble and I got head butted
yeah
But those boys could not take that girl away from me
I took a handkerchief and wiped the blood way from my
nose
And got right back on the dance floor and that was that

Bridge

Now here we are one or two scars trying to recall the
way the way it was
But now I know where I am coming from ooh yeah I
say

Chorus

Soultime i'm in soultime
Soultime ooh yeah ooh yeah (bass) (funky section
over d and bm)
Chorus
Ooh yeah soultime ooh yeah soultime (fade) /pre>
