Yo you don't even know about this girl i met last night
she was bad
you've never seen nothing like it, trust me

who be your casanova
and we don't stop dr dr dr dr drop the flava
who be your casanova
grraig david o yeah and we don't stop
grraig david on the rise
grraig david on the rise

stepped in the club now
saw you sitting with your friends gigglin
lookin at me
had to make my move
so i whispered in her ear
that i'll be your casanova
come dance while you think it over
we made our way over to the dance floor
gotta groove on
dancing yeah real hard core
from the front to the back that's where i was at
you know you know south hamptons mans do it like that
my body all over your (facciamo amore)
damn sure
she was irresistable
the future was foreseeable

(yere sera) last night ooh yeah
a pretty young girl i met
oh yeah come on
(yere sera) last night
a pretty young girl i met
grraig david on the rise

girl you had me tripping
girl you've got me tripping
my heart was feenin from the beginning
just to hold your body drove me crazy
and it weren't like i had to pretend
that i'll be a casanova
if you'd only let me show ya

felt like a drink so we went to the bar
next thing we found ourselves in the back of my car
making laugh and giggle..ha ha
my body all over your
i didn't want to take it too far
especially in the car
got more respect for ya (senorita)
ooh yeah, now you're my partner

(yere sera) last night ooh yeah
a pretty young girl i met
oh yeah come on
(yere sera) last night
a pretty young girl i met
graig david on the rise

i met this girl with the brown eyes
made my moves
showed enterprise that graig david's on the rise
it's all about the fly women
good looking women
those women i can't begin telling
senorita that's the life you live
that makes you wanna
leave the one you're with
and this is how i'm droppin it down
this pretty young girl turned my life around
pretty young lady, driving me crazy
pretty young lady, driving me crazy

(yere sera) last night ooh yeah
a pretty young girl i met
oh yeah come on
(yere sera) last night
a pretty young girl i met
graig david on the rise

who be your casanova
and we don't stop dr dr dr dr drop the flava
who be your casanova
graig david o yeah and we don't stop
dr dr dr dr drop the flava
who be your casanova
graig david and we don't stop
