Well east coast girls are hip
I really dig those styles they wear
And the southern girls with the way they talk
They knock me out when I'm down there

The mid-west farmer's daughters really make you feel
alright
And the northern girls with the way they kiss
They keep their boyfriends warm at night

I wish they all could be california
I wish they all could be california
I wish they all could be california girls

The west coast has the sunshine
And the girls all get so tanned
I dig a french bikini on hawaii island
Dolls by a palm tree in the sand

I been all around this great big world
And I seen all kinds of girls
Yeah, but I couldn't wait to get back in the states
Back to the cutest girls in the world

I wish they all could be california
I wish they all could be california
I wish they all could be california girls

I wish they all could be california
(girls, girls, girls yeah I dig the)
I wish they all could be california
(girls, girls, girls yeah I dig the)
I wish they all could be california
(girls, girls, girls yeah I dig the)
I wish they all could be california
(girls, girls, girls yeah I dig the)
