I may not always love you But long as there are stars above you You never need to doubt it I'll make you so sure about it

God only knows what I'd be without you

If you should ever leave me Though life would still go on believe me The world could show nothing to me So what good would living do me

God only knows what I'd be without you

God only knows what I'd be without you

If you should ever leave me Well life would still go on believe me The world could show nothing to me So what good would living do me

God only knows what I'd be without you

God only knows what I'd be without you

God only knows

God only knows what I'd be without you

God only knows what I'd be without you

God only knows

God only knows what I'd be without you

God only knows what I'd be without you

God only knows

God only knows what I'd be without you

God only knows what I'd be without you

God only knows

God only knows what I'd be without you

God only knows what I'd be without you

God only knows

God only knows what I'd be without you

God only knows what I'd be without you

God only knows

God only knows what I'd be without you
