Van dyke parks

Orange crate art was a place to start  
Orange crate art was a world apart  
Home for two with view of sonoma  
Where there's aroma and heart  
Memories of her orange crate art

Orange crate table and a rockin' chair  
Barnyard gate waiting some repair  
Trust in fate and sweet inspiration  
You could go bust to replace  
Just what is here by the case

Hear the lonesome locomotion roar  
Hobo hop on if you dare  
And it rolls where grapes of wrath are stored  
Stops on a bracero's prayer

On the dawn of a vintage cruise  
Calms the wine of this rendezvous  
Room for two in view of sonoma  
Back when ramona had heart  
Memories of her orange crate art

Room for two in view of sonoma  
Back when ramona had heart  
Memories of her orange crate art
