New executive music/ruse by the sea/all about me  
music

She says that she needs me  
And I guess I need her too  
'cause I can't keep wonderin? br> why I feel the way I  
do  
Baby, if you don't stop crying  
I'll just want to die  
But it's too late and you know  
There's nothing here for you and i

Chorus:  
Sorry baby, I just can't stand it  
It didn't work out the way planned it  
I don't know whether we're going to be together  
And sorry baby, it's time we said good-bye

She says that she's sorry  
And I guess I'm sorry too  
But baby I'm wonderin? br> when I was lonely, where  
were you  
Baby, if you don't stop crying  
I'll just want to die  
But it's too late and you know  
There's nothing here for you and i

Chorus

She says that she loves me  
And I'm not sure that's really true  
Because if she loves me  
I wouldn't feel the way I do  
Baby, if you don't stop crying  
I'll just want to die  
But it's too late and you know  
There's nothing here for you and i

Chorus
