I partied hard
On the first tier
But I burned
A lot of bridges
And then
I'm a photograph
That was torn in half
And I'll never be
Invited again.

But hey, it's okay,
I don't care,
I don't mind You know
I'm gonna be just fine
Cous when the world
Shut me out
I was pretty lucky
That you let me
In You're
All I need to face
Another day whenever I'm in a bind,
There's really o
Nly one thing
I keep in mind
You're all
I need to survive

Used to sit and worry
That I'd ruin
My reputation
It was the hardest thing
I ever had to face
But now I'm free of worry
And I'm free
Of all complication
It's simple but it's true,
It's all because of you

But hey, it's okay,
I don't care,
I don't mind
You know

I'm gonna be just fine
Cous when the world
Shut me out
I was pretty lucky
That you let me in
You're all I need
To face another day
Whenever I'm in a bind,
There's really
Only one thing
I keep in mind
You're all
I need to survive
