As soon as something's popular  
It's written and erased.  
Still I'm watching, I want more though  
I have seen it all before where  
Bullies hang with pretty boys  
Who pick up girls in corduroys  
Who's teeny tops are little tanks  
They go hip hip hopping to the banks.

(Pre-chorus)  
Where imitation  
Is just limitation in disguise.  
Sell our souls because the rock  
Just rolled over and died.

(Chorus)  
Do you wanna be famous?  
Wanna get a taste?  
Do you wanna be written and erased?  
Do you wanna be faded like the scene  
In a one hit wonder magazine?  
Do you wanna be jaded, self medicated?  
Gonna be rehabilitated  
And then be congratulated.  
Oh yeah,  
You're the one we're looking for.

I don't believe the break you had.  
The monumental ache you had.  
A game of conscience, tug of war  
And we have all been there before  
Where bullies become pretty boys  
With loaded guns and shiny toys  
They're busting heads and making noise  
'Till they're bang bang  
Banging hit the floors.

(Pre-chorus)  
(Chorus)

Get your pencils, papers,  
Big fat red erasers.

We're all tail-chasers  
In disguise.

Do you wanna be famous?  
Wanna get a taste?  
Do you wanna be written and erased?  
Do you wanna be faded like your jeans  
They're gonna be busting at the seams?  
Do you wanna be jaded, self medicated?  
Gonna be rehabilitated  
And then be congratulated?  
Oh yeah,  
You're the one we're looking for.

(Chorus)
