We know it's wrong to let this fire burn between us
We've got to stop this wild desire in you and in me
So we'll let the flame burn once again until the thrill is
gone
Then we'll sweep out the ashes in the morning

We're two people caught up in a flame that has to die
down soon
I didn't mean to start this fire and neither did you
So tonight when you hold me tight we'll let the fire burn
on
And we'll sweep out the ashes in the morning

Each time we meet, we both agree it's for the last time
But out of your arms, I'm out of my mind
So we'll taste the thrill of stolen love tonight until the
dawning
And we'll sweep out the ashes in the morning

We're two people caught up in a flame that has to die
down soon
I didn't mean to start this fire and neither did you
So tonight when you hold me tight we'll let the fire burn
on
And we'll sweep out the ashes in the morning

Yes, we'll taste the thrill of stolen love tonight until the
dawning
And we'll sweep out the ashes, we'll sweep out the
ashes
We'll sweep out the ashes in the morning
