Oh lord, it's so bad  
it's so bad when you're living in the devil's  
playground  
Oh lord, it's so bad  
it's so bad when you're living in the devil's  
playground

up and down  
bad and good  
nobody's living like the way they should  
anymore, anymore  
up and down  
bad and good  
nobody's living like the way they should anymore  
there's gotta be more

Oh lord, it's so bad  
it's so bad when you're living in the devil's  
playground  
Oh lord, it's so bad  
it's so bad when you're living in the devil's  
playground  
in the devil's playground

Lend me a helping hand 'cause I've been treating  
your heaven like a one night stand  
I gotta pray more  
I gotta pray more  
lend me a helping hand 'cause I've been treating  
your heaven like a one night stand  
I gotta pray more  
I gotta say more

Oh lord, it's so bad  
it's so bad when you're living in the devil's  
playground

in the devil's playground  
Oh lord, it's so bad  
it's so bad when you're living in the devil's  
playground  
in the devil's playground

There's some man that is starting a war and I feel like  
we're knocking on heaven's door  
You better let me in  
I wanna get in  
There's some man that is starting a war and I feel like  
we're knocking on heaven's door  
you better let me in  
I wanna get in

Oh lord, it's so bad  
it's so bad when you're living in the devil's  
playground  
in the devil's playground  
Oh lord, it's so bad  
it's so bad when you're living in the devil's  
playground  
in the devil's playground  
in the devil's playground  
Playground, where the devil plays, where the devil  
plays, where the devils play  
Oh lord, its so bad  
it's so bad when you're living in the devil's  
playground
