Sunsets fade to night  
And flowers die away,  
The world is turning 'round  
And you are turning grey,  
Money burns a hole  
Inside the wealthy's heads.  
Why do you insist  
Pretending you're not dead?  
:chorus:  
Sell your soul, sell your soul for  
Sell your soul, sell your soul for free.  
Bottles always empty,  
Leaves their prey alone.  
Lovers often leave you  
Waiting by the phone.  
Nothing seems to satisfy  
The need for peace.  
Jesus stands before you  
Wanting you to see.
