I'm fighting to understand  
The things I just don't know  
Where did we come from  
And where do we go?

Quest for reasons  
Drift through the seasons  
You never saw spring  
Tumble into fall

Quest for answers  
To questions not yet answered  
Well, in my time, will I ever find out why?  
But then again, do we say bye?

Oh, the wear and tear  
Of living life like a dare  
Giving half instead of all  
Well a 1, 2, 3, to happy and free  
It's so easy if you wanna be

Quest for reasons  
Drift through the seasons  
You never saw spring  
Tumble into fall  
Quest for answers  
To questions not yet answered  
Well, in my time, will I ever find out why?  
But then again, do we say

Bye, bye, bye  
Goodbye, bye, bye

One thing that I know is  
I don't know much of anything  
I'll give it my all but I'm still afraid  
To fall is what I say

Quest for reasons  
Drift through the seasons  
You never saw spring  
Tumble into fall

Quest for answers  
To questions not yet answered  
Well, in my time, will I ever find out why?  
But then again, do we say bye?

Bye, bye, bye  
Goodbye, bye, bye
