To each his own
Don't pick up the phone
'Cause they'll just say something
You don't wanna hear

From door to door
You'll find you need so much more
And out of shadow comes a light
And it's sayin'

Come, you're invited
Be at one with the brightness of you
Breathe and look see glow
And go so happy and free

'Cause it's so edible
Incredible

On the banks of the river you sing
La, la, la, la, la, la
And on the shore of the sea you'll say
"Take me backward down the stream"

Well, we've been through a lot now, baby
To say I've seen it all, now, that's just crazy
One thing's for sure, well, I've been down and out
Turned upside down and dumped right on out
These same old doors but I come back for more
And it's saying

Come, you're invited
Be at one with the brightness of you
Breathe and look see glow
And go so happy and free

'Cause it's so edible
Incredible

On the banks of the river you sing
La, la, la, la, la, la
And on the shore of the sea you'll say
"Take me backward down the stream"

Down the stream

Edible

Incredible

'Cause it's so edible

Incredible
