If you don't mind  
I'll tell you like it is  
And if you don't mind  
Stop questioning everything  
Come into my whirlpool  
Once again  
And I will try  
To stay in my good skin

Don't stand so close to me  
Cause I'm faking  
Don't give me what  
I'm really not taking  
Come 'round anytime  
Cause I kinda like your style  
Just don't think that you're mine  
Cause we both know  
We're just killing time

If you don't mind  
Let's keep it simple now  
And if you don't mind  
Let's have another round  
You just sigh and think to yourself  
What a clown  
It's closing time  
And I feel like passing out

Don't stand so close to me  
Cause I'm faking  
Don't give me what  
I'm really not taking  
Come 'round anytime  
Cause I kinda like your style  
Just don't think that you're mine  
Cause we both know  
We're just killing time
