Oh my, the number's in the box  
The box is in the street  
Miss Amsterdam you look so sweet  
I can't wait for us to meet  
Have you got your red dress on  
What a perfect way to end this week

Oh my, You're not what I expected  
Oh you, You're not as I remembered  
But I, I don't mind at all  
Just keep me happy with a secret and  
Walk with me to the beat up drum  
Talk to me in your sexy tongue

Stop, I'm stranded in your sheets  
I'm moving in you now  
But you're always slightly out of reach  
So turn twist and turn for me  
Slip me one for free  
And let go of this misery

Oh my, You're not what I expected  
Oh you, You're not as I remembered  
But I, I don't mind at all  
Just keep me happy with a secret and  
Walk with me to the beat up drum  
Talk to me in your sexy tongue

Oh my, You're not what I expected  
Oh you, You're not as I remembered  
But I, I don't mind at all  
Just keep me happy with a secret and  
Walk with me to the beat up drum  
Talk to me in your sexy tongue
