The thought of losing time
Is there again
Its gonna twist everything
Inside my head
Are you coming
Are you coming around
So put away that feeling of shame
What were gonna do now
Were running wild again
Is it our
Is it our turn to try
Is it worth it
Is it pretty
Is it deeper
And is it safe now
Can you lose it
Can you leave it
Can you choose it
What if you don't find it
Wouldnt that just spoil your day
So the sirens sing

For you and I
From the deep end
Of our lungs
Is it what you expected
Did you expect anything
Everything
Is spinning around my head
Is this beginning
Really closer to an end
Do you believe in
Everything we never said
Is it worth it
Is it pretty
Is it deeper
And is it safe now
Can you lose it
Can you leave it
Can you choose it
What if you don't find it
Wouldnt that just spoil your day
