I've lost my track  
I just wanna lay here  
Excuse me now  
I've been jumping roofs, dear  
You say we're nothing special  
I want you to be special now  
It's just before daybreak  
I just wanna show you how

I really want you  
I really do  
The seasick sailors reaching for the shore  
You still wanna crawl  
You still wanna crawl  
All the dead soldiers coming back from was  
You still wanna fight  
You still wanna fight

Lie real still  
I just kinda feel numb  
This wasted tim  
Will it slowly break me  
You just pick a line  
And say it out loud and clear  
Through the gates of hell  
Across the bridges into your arms

Turn down all the lights  
I say no more tonight  
You still wann crawl  
Through anything at ll  
You still wanna fight  
Don't you know I'm on your side

I really want you  
I really do  
The seasick sailors reaching for the shore  
You still wanna crawl  
You still wanna crawl  
All the dead soldiers coming back from was  
You still wanna fight

You still wanna fight
