"Slow Motion"

Visit "[Slow Motion](#)" on MotoLyrics.com

It's closing time
And all the lights are fading out
A parade has passed
And you were already gone

We're just a quiet explosion in
A situation that won't win
We're in slow motion now

Let a whisper
Be heard by everyone
We stayed for a while
And we got caught in the sun

We're just a quiet explosion in
A situation that won't win
We're in slow motion now

We fall through the night and day
We're still the same
We move in slow motion to
The sound of the parade
