What the hell happened?
Today has come and gone,
And I can't believe
I didn't do anything.
I don't go anywhere,
and I get nothing done.

What the hell happened?
When did it begin to blur
And run together.
This life isn't made,
It's what it becomes.
Watch out, because it stays that way.

Oh
Oh, we had one foot on the stage.
When we were that age...

Yes I was caught napping,
Floating round inside my own head
And I'm still in bed.
In more ways than one,
I don't go anywhere
And I get nothing done.

Oh, we were just following the sun.

Back in those days...
When we were that age...

Oh
Oh, we had one foot on the stage
