Come on over to my house
I'll make you buckets of tea
Put your breath inside of me

Come on over to my house
Will you be wearing your plaid tie?
You probably thought I'm a shy guy

Come on up to my door
Walk across my hardwood floor
Come on, just a little more

Come on over to my house
Come on over to my house
Put your breath inside of me

Here comes Rosie
He's a tricky bitch
Sometimes you gotta scratch that itch

Come on over to my house
Come on over to my house
Put your breath inside of me

Come on over to my house
Come on over to my house
You probably thought I'm a shy guy
