Visit "[The Long Song](#)" on MotoLyrics.com

You went away for so long
It's such a long song
It's such a long song

I held my breath for so, so long
It's such a long song
It's such a long song

And it's in your hair
And it's in your mind
And it's in your face
And it's in your solitaire design

And it's in your hands
And it's in your pockets
And it's in your eyes
And it's in your eye sockets

I never knew where I belonged
It's such a long song
It's such a long song

I didn't know that it was wrong
It's such a long song
It's such a long song

And it's in your hair
And it's in your mind
And it's in your face
And it's in your solitaire design

And it's in your hands
And it's in your pockets
And it's in your eyes
And it's in your eye sockets

And it's in your hair
And it's in your mind
And it's in your face
And it's in your solitaire design

And it's in your hands

And it's in your pockets
And it's in your eyes
And it's in your eye sockets

It's in your hair
And it's in your mind
And it's in your face
And it's in your solitaire design

It's in your hands
And it's in your pockets
And it's in your eyes
And it's in your eye sockets, sockets, sockets
