Are you ready? You can trust me all the way
Are you ready? Well then let me hear you say
That you're ready and the world will know it's right
yeah, that's right
Yes, you're ready and you know it's out of sight, ready
now

Are you're ready, well then what you waitin' for?
If you're ready, you just open up your door
'Cause I'm ready for everything you got, yeah
Yes I'm ready, come and get it while it's hot

Are you ready? Are you ready?
Are you ready? Are you ready?
Are you ready? Ready, ready, ready
Ready, ready, ready, ready, ready, ready
Ready, ready, ready, ready, ready, ready
Are you ready?
