

Grand Funk Railroad "Comfort Me"

Visit "[Comfort Me](#)" on MotoLyrics.com

I was found after losing my way, hey
Safe and sound after many a day, hey
I was lost in a world of madness
Please take me from all of this sadness

Comfort me in whatever I do
Comfort me and I'll comfort you too
Follow me 'cause I'm trying to love you

Can't figure out what's wrong with my head
I used to think I wish I was dead
You took me from all of that sorrow
My future's bright, I can't wait 'till tomorrow

Comfort me in whatever I do
Comfort me and I'll comfort you too
Follow me 'cause I'm trying to love you

Ain't nothin' to it, anyone can do it
It's easy when you're feelin' right
I know that I feel good and I know that you should
Stop not doin' what you know is right

Don't know what it is that's causing this feeling
What ever it is I'm touching the ceiling
I won't let go of this beautiful sound
I once was lost but now I am found

Comfort me in whatever I do
Comfort me and I'll comfort you too
Follow me 'cause I'm trying to love you

I just don't wanna be your friend, yeah
You can trust me 'till the very end, yeah
I know just what I'm talkin' about, yeah, yeah
I'm talkin 'bout the love that you can't live without, no,
no
