I'm destitute and losin'
All that I got
I got too much booze in me
Oh, I've been smokin' a lot

Sometimes I wish my memory
Didn't serve me so good
Maybe then I wouldn't think of the world
But you know that I would
'Cause I'm

Destitute and losin'
All of my mind
But I know I got to meet my maker, children
At the end of the line

Nothing good lasts forever
Not on this earth
I'm a victim of circumstance
My mistake was my birth
'Cause I'm

Destitute and losin'
Sure can't be choosin'
Destitute and losin'
Sure can't be choosin'

I'm destitute and losin'
I'm losin' my way
There will be no more choosin'
Come the judgment day

There's no place for me to go
But I know darn well
When it comes time for me to leave here
I'm going straight, straight down to hell
'Cause I'm

I'm destitute and losin'
Losin' my mind
Said, I'm destitute and losin', children
Losin' all the time

I've never been a winner
At nothing I've done
I know that I'm a sinner
And you know my time is come
'Cause I'm

Destitute and losin'
Sure can't be choosin'
Destitute and losin'
Sure can't be choosin'

Destitute and losin'
Sure can't be choosin'
Destitute and losin'
Sure can't be choosin'

I've been so low, children
I just don't know which way to go
Lord, you know I just don't give a fuu
