Oh, people why don't you come in here  
And let me talk to you a while  
That's right, step right up and listen  
To a concerned citizen speak his piece

I'll tell you a little something that my daddy told to me  
"My basic fundamentals if you want to be free  
'Cause son, there's something wrong internally  
So, if you want your freedom son  
Don't want your country to be overrun  
You got to keep America number one"

My daddy told me, "Son, don't let 'em take your gun  
That's what they tryin' to do  
Son, don't let 'em take your gun  
They're takin' your Bill of Rights away from you"

My daddy said, "Son, don't let 'em take your gun  
That's what they tryin' to do  
Son, don't let 'em take your gun  
Don't let 'em take your gun away from you"

Oh, this year is our anniversary  
Two hundred years, people we've been free  
Won't be nobody takin' over our land  
If everybody's brother's got a gun in his hand

I'm tellin' you we learned to fight for justice  
We're willing to die for freedom  
Hand in hand, you got to understand  
We are American men

Said, "They want your gun"  
Said, "They want your gun"  
Send 'em on the run  
Send 'em on the run  
Hip-hurray for fun  
Hip-hurray for fun  
If they do we're done  
If they do we're done

My daddy said, "Son, don't let 'em take your gun"

That's what they tryin' to do  
Son, don't let 'em take your gun  
They're takin' your Bill of Rights away from you"

My daddy said, "Son, don't let 'em take your gun  
That's what they tryin' to do  
Son, don't let 'em take your gun  
Don't let 'em take your gun away from you"
