Ooo

Ooo

Ooo, a storm is threatenin', my very life today
If I don't get some shelter, oh I'm gonna' fade away

War children, it's just a shot away, it's just a shot away
War children, it's just a shot away, it's just a shot away

Ooo, see the fire sweeping up every street today
Burns like a red coal carpet, mad bull lost it's way

War children, it's just a shot away, it's just a shot away
War children, it's just a shot away, it's just a shot away

Rape, murder, it's just a shot away, it's just a shot away
Rape, murder, it's just a shot away, it's just a shot away
Rape, murder, it's just a shot away, it's just a shot away

Ooo, a storm is threatenin' my very life today
If I don't get some shelter, oh I'm gonna' fade away

War children, it's just a shot away, it's just a shot away
It's just a shot away, it's just a shot away, it's just a shot
away

I said a love sister, it's just a kiss away, it's just a kiss
away

It's just a kiss away, it's just a kiss away, kiss away, kiss
away

War children, it's just a shot away, it's just a shot away
War children, it's just a shot away, it's just a shot away
War children, it's just a shot away, it's just a shot away
War children, it's just a shot away, it's just a shot away
Love sister, it's just a kiss away, it's just a kiss away
Love sister, it's just a kiss away, it's just a kiss away
War children, it's just a shot away, it's just a shot away
Love sister, it's just a kiss away, it's just a kiss away
War children, it's just a shot away, it's just a shot away
