I'm sitting here lonely like a, a broken man
I serve my time doin' the, the best I can
Walls and bars they surround me
But, I don't want no sympathy

No baby, no baby
All I need is some tender lovin'
To keep me sane in this burning oven
And, when my time is up, you'll be my reefer

Life gets worse on a God's green earth
Be my reefer, I got to keep smokin' that thing
No, no, no, no, no
No, no, no, no, no, no, no

I said now baby, let me smoke it
'Cause I feel good, yes, I feel good
It makes me feel alright
Feel alright
Feel alright, feel alright

Ice cold water runnin' through my veins, you know that
They try and drag me back to work again
Pain and blisters on my mind and hands
I work all day making up a, a nickel bag, nickel bags

The oats they're feeding me are driving me wild
I feel happy like a new born child
Now, when my time is up, you wait and see
These walls and bars won't keep that
[Incomprehensible] from me

No, no, keep that stuff from me
No, no, no, no, no, no
No, no, no, no, no
No, no, no, no, no, no, no
No, no, no
No, no, no, no, no, no, no, no, no

Make me feel alright
Make me feel alright
Make me feel all

You better c'mon up and get down with me
I'll make you feel real good, baby
Ah, just you walk and see

You make me feel alright

Make me feel alright
Said, I feel alright
Yes, I feel all, alright
Yes I, yes I, I, I, I, I
