Risin', settin', been tryin' to get into the sun, yeah
Wantin', gettin', gonna get more baby when I'm done
All my life I had been waitin', then you turn me on
Now there'll be no hesitatin', I'm gettin' into the sun

Growin', knowin', you learn more every day, yeah
Needin', succeedin', sun, don't go away
Things are changin' for the better, now I'm not afraid
I'll be writin' you a letter 'cause I just got paid

Growin', knowin', you learn more every day, yeah
Needin', succeedin', sun, don't go away
Things are changin' for the better, now I'm not afraid
I'll be writin' you a letter 'cause I just got paid
