Oh, I got one thing to tell ya', then you make up your  
mind

It's what I been tryin' to tell ya', for a long, long time  
We need each other, to live in peace and harmony  
Don't need a whole lot to give, 'cause love is for free

I, I got one thing to tell ya  
I, ooh, I ain't tryin' to sell ya  
No lies

Forget all of your troubles, for a minute or two  
Just listen to what I'm sayin', 'cause I'm talkin' to you  
We don't need no leader, to tell us just what's wrong  
We need love in the country, so we can get strong

And I, oh, you know, I got one thing to tell ya  
I, ooh, I ain't tryin' to sell ya  
No lies

I, I got one thing to tell ya  
I, ooh, I ain't tryin' to sell ya  
No lies

I, I got one thing to tell ya  
I, ooh, I ain't tryin' to sell ya  
No lies
