Ooh, ooh, ooh, ooh ooh
Ooh, ooh, ooh

Hey, all you people, for goodness sake
Let's get together, what does it take
To make you understand the value of a man?
I'm talkin' about your son and neighbor, yes I am
Oh

People, let's stop the war
People, let's stop the war
People, let's stop the war
People, let's stop the war

If we had a President, that did just what he said
The country would be just alright, and no one would be
dead
From fighting in a war that causes big men to get rich
There's money in them war machines, now ain't this a
bitch?
Oh yeah

People, let's stop the war
People, let's stop the war
People, let's stop the war
People, let's stop the war

I been excited, ain't nobody ready
They don't know what to get ready for
Let's get ready and stop the war

Ooh, excited, ain't nobody ready
They don't know what to get ready for
Let's get ready and stop the war

I been excited, ain't nobody ready
They don't know what to get ready for
Let's get ready and stop the war

Ooh, excited, ain't nobody ready
They don't know what to get ready for
Let's get ready and stop the war

Ooh, ooh, ooh, ooh ooh
Ooh, ooh, ooh

People, let's stop the war
People, let's stop the war
People, let's stop the war
People, let's stop the war

Hey all you people, let's stop the war
People, let's stop the war
People, let's stop the war
People, let's stop the war
