You ain't gonna find me
Knockin' at your door
I've known forever
You don't love me no more

You don't want to stay there
With your mouth shut tight
I'm gettin' myself together
Yes, I'm leavin' tonight, baby

You ain't gonna find nobody

To treat you like I do
I bend down on my knees
You treat me like a fool, baby

Now I know what you're tryin' to do
It ain't gonna happen
[Incomprehensible] hip to you
I'm gonna walk out laughin', baby
