Well, hey there baby, do you want to make the scene?  
I said, hey there baby, do you want to make the scene?  
Aw, well, come on over baby, step into my time  
machine

You better jump into my action, I'm gonna' make you  
feel right  
Aw, jump into my action, I'm gonna' make you feel right  
Don't worry 'bout tomorrow 'cause I'm gonna love you  
tonight

Step into the front row, I'm gonna' show you how  
Step into the front row, I wanna' show you how  
Don't worry 'bout no time we can always come back to  
right now  
Aw, I'm gonna give it to you

When you wanna come back, we just turn about  
When you wanna come back, we just turn about  
But we ain't gonna come back, till there ain't no doubt

Now don't it get good to you? Do you know what I  
mean?  
Said, don't it get good to you? Don't you know what I  
mean?  
Well, come on over baby, jump into my time machine
