If you can't feel it, keep on tryin'
'Cause that's the way it's got to be, yeah, yeah, yeah
It's comin' down and I ain't buyin'
It's gonna' take a long time to catch up with me

And when you notice your condition
Maybe you'll want to stay with me, yeah, yeah, yeah
Then we can find the true definition
The answer's here, right here with me

Row, row, row your boat
Row, row, row your boat
Row, row, row your boat
Row, row, row your boat

Row, row, row your boat
Row, row, row your boat
Row, row, row your boat
Row, row, row your boat

Row, row, row your boat
Row, row, row your boat
Row, row, row your boat
Row, row, row your boat

I want the world to know my reason
And if you help me find a way, yeah, yeah, yeah
I'll bring my own and keep on pleasin'
'Cause baby, this is the way I'm gonna' stay
