What's her name? What's she like?
Is she feeling like I do tonight
Is she hurt but believing everything
Is gonna be alright
Where's she from? Does she sing?
Is she worried about anything?
Does she lie awake blinking and sighin' and thinkin'
And wonderin' when we'll be finally meeting
Well don't worry

(Chorus)

I am on my way, I'll be right on time

Lord I'll wait patiently for the woman that you have for me
I just need to keep workin' to become the person I need to be

Be the man she deserves
I wanna be ready for her
A prayerful and thoughtful and hopeful romantic
With ears that can hear her a heart that's GI gantic
So tell her that

(Chorus)

Yeah and she better be, she better be ready for me
Cuz I've been saving up all of my love to give her only
For my girl yeah my bride
My tired heart will open wide,
I'll give her my hand and we'll both lead each other
And I'll walk her home to the house of our Father,
So wait for me
