Leech of power wanting more as you feed - never
satisfied
Crowned usurper wasting time and our wealth - you
must go

And we'll see him falling now
Christian ruler die!
See you falling
Kingslayer rise

All false methods you're arrogant and vain - above the
law
Your blood is feeble a failing line of heirs - down you
go
And we'll see him falling now
Christian ruler die!
See you falling
Kingslayer rise

Kingslayer rise!

And we'll see him falling now
Christian ruler die!
See you falling
Kingslayer rise
