I blame it on myself
'Cos I can't keep anything down
Anything down
However hard I do try

So talk amongst yourselves
While I try to figure it out
Figure it out
I'll let you know in my time

I blame it on myself
'Cos I can't keep anything down
Anything down
However hard I do try

So talk amongst yourselves
While I try to figure it out
Figure it out
I'll let you know in my time

And there's nothing to say
'Cos I won't go through it
And there's nothing to do
Till I put myself up to it

And there's nothing to say
'Cos I won't go through it
And there's nothing to do
Till I put myself up to it

And there's nothing to say
'Cos I won't go through it
And there's nothing to do
Till I put myself up to it

And there's nothing to say
'Cos I won't go through it
And there's nothing to do
Till I put myself up to it

Talk amongst yourselves
While I try to figure it out

Figure it out
I'll let you know in my time
