Oh Yea

Did you see me lookin' f' a cool

In my white tee shirt

And my cowboy boots

And my baby blues

Starin' f' at you from across the room

Did you see me looking at you?

Yes you did, I saw you lookin' f' a

Did you see me lookin' f' at your eyes

Lookin' f' at your legs

Lookin' f' at your thighs

Lookin' f' at your back side

Did you see me looking at you man

I don't understand what a women do

With a boy like him

A boy like him

I saw your man standing there

And I gave him a glare

And I swear he looked

Pretty scared to me

I saw him swallow his pride

And I looked deep in his eyes

And he decided he didn't want

To take this outside

Cause Carolina boys get rowdy and loud

yes we do

Don't look at me

Ill turn you whole world upside down

Cause we get rowdy and loud

I didn't mean to scare you

With my rowdy redneck friends

But I couldn't help but notice you walk in

With him

In His 3 piece suit and his penny loafer shoes

Girl tell me what am I gonna do with you?

Do you want to ride?

Do you want to dance all night?

Do you want to take a little

Trip in my four wheel drive?

It might get rowdy and loud

Now tell the truth girl

You saw a new world
The moment that you laid
Your pretty little Eyes on me
Well I give you something
To think about
Something to talk about
Tell the whole world about a boy like me
Cause Carolina boys get rowdy and loud
Don't look at me I'll turn
Your whole world upside down
Cause Carolina boys get rowdy and loud
Don't look at me I'll turn
Your whole world upside down
Do we get rowdy!
We're known to get rowdy
Yea we get rowdy and loud
Loud
Ah girl, what's wrong with you?
You want to take a walk
Out to my truck with me?
Nah your boyfriend won't mind
I'll go ask him
