To the King of Kings, come and dwell with me  
To the Great I Am, come and take my hand

As you're seated on your throne, come and make my  
heart your home  
Where I'll never be alone

So won't You come? Won't You come?  
So won't You come? Won't You come?

To the Holy One, let Your will be done  
To the Sovereign Lord, let Your kingdom come

As you're seated on your throne, come and make my  
heart your home  
Where I'll never be alone  
So won't You come? (Come inside, come inside, free  
my mind)  
Won't You come? (Come inside, come inside, free my  
mind)  
So won't You come? Won't You come?

The heaven's declare, Your Glory, Your Wonder  
The angels bow down and sing of Your Mercy  
You are the Holy God Almighty

So won't You come? (Come inside, come inside, free  
my mind)  
Won't You come? (Come inside, come inside, free my  
mind)  
So won't You come? Won't You come?
