Check..

Well here's the good to go cause it gets good when it's
goin

It ain't so-and-so'n it's just Grand Puba flowin

Stud Doogie, Alamo, on the ziggie rub the table

Kunta Kinze droppin ? on some old, shake the leg shit

Now it's time to flow, since we formally introduced us

Jump up on the stage and watch the honies seduce
seduce us

Watch the three sprout beyond shadow of a doubt

Here's the resume, for the day, you know the flav, skin
out

Here's the rootin tootin type of shit to make you lose it

The way it should be done, so I know you won't refuse it

It's on the reel to reely, kick shit on the daily

Grab a 40 hit the floor like I danced at Alvin Ailey

So honey don't front just winey wine

Cause a bit bo-ty girl stay on my mind

Here's Mr. Splendid, careful when I bend it

Highly recommended flippin shit like I intended

So here goes the flow, check how it go

And don't act like you don't.. ("you should know")

Ha hah!

Next skit, on the stupid shit, this is how we flip the
script

Niggaz try to follow but come off it!

Lone Ranger, not afraid of danger

You know the shit is real so don't play me like a
stranger

Studda give a cut so precise like a guillotine

The kid ain't Michael son cause I'm the one who hit
Billie Jean

Quick to say parlay, fond of Bob Marley

You know the four one one hon, we're _Jammin_

So, clear the road, here comes Mr. Got-It-Goin-On

Jump on the mic, grab my pay and after that I'm gone

To Indiana, Virginia or Savannah

A backed up town to give a shout to Susannah

C'mon brothers cause you know what I'm talkin on

Hi, how ya doin, Bill hit the joints and then move on
The way we sway makes the others just fade away
The name of this one here is check the resume
So get with it, cause you damn sure won't forget
Huh, you know how it goes ("you should know")

Yeah yeah yeah, check the resume yo
Uh! Hah hah, uh, hah hah!
Uh, hah hah! Uh, hah hah!
Yeah yeah
On and on and on like this yo
Youknowhatl'msayin?
'93 flavor but we givin it to you in '92 this is how we do
Youknowhatl'msayin? Pumpin it like this
And this how we move on
Grand Puba, Stud Doogie, Alamo style
Word is bond, big up to the S.O.S. cause they do it best
Youknowhatl'msayin? Pop in the house, Big Jeff in the
house
B.R. in the house, youknowhatl'msayin?
This is how we flowin it on, time to get gone
