push it to the limit
walk along the razor's edge
don't look down, just keep your head
or you'll be finished

open up the limit
past the point of no return
reach the top, but still you gotta learn
how to keep it

hit the wheel, and double the stakes
throttle wide open, like a bat out of hell
you crash the gates
(crash the gates!)

going for the back of beyond
nothing gonna stop you
there's nothing that strong
it's so close now, you merely have the break
so, push it!

ooo yeah

welcome to the limit
take it maybe one step more
the power game's still playing
so you better win it

push it to the limit
no one left to stand in your way
you might get careless, but you'll never be saved
while you still feel it

welcome to the limit
standing on the razor's edge
don't look down, just keep your head
or you'll be finished

welcome to the limit

push it to the limit
