8 a.m. with a coffee kick start
Step outside to my broken down car
I know, I've forgotten my pack of cigarettes
The whole day's like a slow train comin'
Sometimes a kinda, I find myself runnin'
Tell me man is this as good as the whole world's gonna
get?

I get the feelin' it's a new day, sun is risin'
I get the feelin' everything is gonna change

Search the road for some friendly faces
My legs lead me to some strung out places
My mind burns with the words that I forget
I don't seem to be able to lose me
I warm the streets that shake and bruise me
Tell me man is this as good as the whole worlds gonna
get?

I get the feelin' this was sent to test me
Can I please get someone to bless me
I still forgot those damn cigarettes
'Cos I travel in my own illusion
Cut a path through all the confusion
Tell me man is this as good as the whole world's gonna
get?

I get the feelin' it's a new day, sun is risin'
I get the feelin' everything is gonna change

I get the feelin' it's a new day, sun is risin'
I get the feelin' everything is gonna change

I get the feelin' it's a new day
I get the feelin' everything is gonna change

I get the feelin' it's a new day
I get the feelin' everything is gonna change

I fall asleep with the TV too loud
Spendin' time stayin' in with the out crowd
Dreams come and leave me in cold sweats

Tomorrow feels like a new day comin'
I can't see it bein' all for nothin'
And I know it's as good as the whole world's gonna get

I get the feelin' it's a new day, sun is risin'
I get the feelin' everything is gonna change

I get the feelin' it's a new day, sun is risin'
I get the feelin' everything is gonna change

I get the feelin' it's a new day, sun is risin'
I get the feelin' everything is gonna change

I get the feelin' it's a new day, sun is risin'
I get the feelin' everything is gonna change
