Well, I've been somewhere in the middle
Drowning in the drivel, whatever it's all out of my hands
And I've been choking on the ashes of the burnt out
middle classes
Finger fucking it with both of my hands
Goddamn, don't you know who I am? Goddamn

And now the future's looking brighter for bad song
writers
Yeah, we are laughing just as hard as we can
You know the powder makes us funny, my shit's all
runny
Yeah, I'm writing this with trembling hands

Goddamn, I don't know where I am
Goddamn, I don't know where I am

Make way, dead man leaving
For one night, your town's home
Make way my head's heaving
Don't touch me, man I'll throw
Ready to go

Ready to go, ready to go, ready to go

Pass the check and I'll get it
Living on credit and every thing's running to plan
But I just can't figure, who leads the lead singer
Shut the fuck up man and pass me the gram

Goddamn, I don't you know who I am?
Goddamn, I don't you know who I am?

Make way, dead man leaving
For one night, your town's home
Make way my head's heaving
Don't touch me, man I'll throw
Ready to go

Ready to go, ready to go

Make way, dead man leaving

For one night, your town's home
Make way my head's heaving
Don't touch me, man I'll throw
Ready to go

Ready to go, ready to go
I'm ready to blow
