We're pumped up, funkyd up

Dead from the neck up

We've hijacked the decks the world is gonna be next

We wanna get down, we're in for a rockin'

We love

And you love us and you know it

We.. love.. you..

We love you! (x 4)

No bright spark should know we've got a radio

You gotta move when we're rocking on your stereo

We wanna get down, we're in for a rockin'

We love

And you love us and you know it

We.. love.. you..

We love you! (x 4)

We.. love..

(instrumental section)

We love

You love us and you know it

We.. love.. you..

We love you! (x4)
