You should've seen by the look in my eyes,
baby
There was somethin' missin'
You should've known by the tone of my voice,
maybe
But you didn't listen

You played dead, but you never bled
Instead you lay still in the grass
All coiled up and hissin'

And though I know all about those men
Still I don't remember
'Cause it was us, baby, way before then
And we're still together

And I meant every word I said
When I said that I love you
I meant that I love you forever

I'm gonna keep on loving you
'Cause it's the only thing I wanna do
I don't wanna sleep
I just wanna keep on loving you

And I meant every word I said
When I said that I love you
I meant that I love you forever

I'm gonna keep on loving you
'Cause it's the only thing I wanna do
I don't wanna sleep
I just wanna keep on loving you

Baby, I'm gonna keep on loving you
'Cause it's the only thing I wanna do
I don't wanna sleep
I just wanna keep on loving you
